KIDS @ MZIKI SAFARI LODGE

Dear Parents,

Contrary to general practise at many game lodges in South Africa, we at Mziki Safari Lodge, welcome children of all ages.

We have a wooden jungle-gym within our lodge grounds specially set up for them. We also offer a variety of board games and DSTV in the main lodge.

We will provide small meals for young children at times that suit you, provided this is arranged with notice.

We kindly ask the following:

- Parents are responsible for ensuring that:
 - Their children do not disturb other guests
 - Their children are well behaved and not boisterous or loud in the lounge or dining areas
 - Their children obey all safety regulations on company vehicles
- Company vehicles are not reserved exclusively for a family with children on drives, therefore accompanying guests are to be considered
- Mziki Safari Lodge will not in any way be held responsible or liable for the supervision and safety of children. A babysitting service can be arranged
- Managers, Rangers and Staff are responsible for maintaining the standards of the lodge, and children (and respectively their parents) should kindly respect such authority

Mziki Safari Lodge is a very “kids-friendly” private game lodge. In fact, our three family chalets are ideal for 2 adults and 2 children sharing, 11 years or under. We always endeavour to ensure that families are taken together on one game drive.

We look forward to welcoming you and your family to Mziki Safari Lodge and trust that these basic guidelines will be appreciated.

Thank you for your understanding.

The Mziki Safari Lodge Team.
